

FEEDBACK FROM STUDENTS ON IMPACT OF EXTENSION ACTIVITIES

FEEDBACK REPORT AND ACTION TAKEN

Objectives:

1. To assess the impact of extension activity on sensitizing students to social issues.
2. To analyse data for improving the reach of extension activity.

Methodology:

Step 1: Creation of Google forms. Framing of a structured questionnaire to analyse the data on a 5-point scale

Step 2: Collection of data using Google form from Students of all programs

Step 3: Analysis of data - Calculation of Weighted Average Rating indicating the impact of extension activity on the various parameters

Questionnaire:
