Sub: Request to carryout PhD related Research

Dear Dr. Middha,

Greetings from Bodoland University!

You will be glad to learn that **Ms. Illora Narzary** has been registered as a Ph.D. scholar on the topic entitled "*Formulation of bamboo (*Bambusa bambos* (L.) Voss) charcoal and earthworm (*Pheretima posthuma* (Vaillant)) extract as potential antimicrobial and wound healing composites*" under my supervision in the Department of Biotechnology, Bodoland University.

I therefore request you to kindly allow my Research Scholar to carry out some part of her thesis related research works in your esteemed institution from 23rd July to 28th July, 2024.

Your kind corporation in this regard is highly solicited.

Thanking you.

Sincerely yours

[Dr. Arvind Kumar Goyal

Department of Biotechnology
Maharani Lakshmi Ammanni College

Respected Sir/Madam,

Sub: Permission for undertaking Internship

Surana College, Autonomous established in 1995 under GDA Foundation Trust, affiliated to Bangalore University is reaccredited by NAAC with "A+" Grade. Academic excellence in our institution has created a vibrant learning environment. Our institution is committed to providing quality education by emphasis on holistic development. Surana College offers a diverse range of programs with cutting-edge facilities, and a dedicated faculty to guide students on their educational journey. Our institution is a hub of innovation and cultural diversity, fostering an atmosphere that encourages curiosity and critical thinking. At Surana College, we take pride in nurturing the potential of each student, preparing them for success in their chosen fields and beyond.

As part of the Curriculum, students studying in BSC-CBT have to undertake an internship in any of the areas of Chemistry and Biotechnology. Ms. Siri K Shankar, a student of final year BSC-CBT (6th semester) has chosen to do an internship with specific reference to your organization. The tenure of the Internship will be for duration of 3 to 4 Weeks.

We request your good self to provide an opportunity to Ms. Siri K Shankar to take up Internship under your guidance and issue a **letter of consent** for the same.

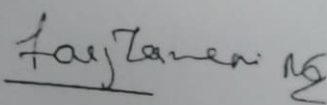

The information gathered during the Internship will be used only for academic purposes and complete confidentiality will be maintained regarding the same.

Thanking You,

Principal

Dear Sir /Madam

This is to introduce the following students, who are bonafide students of our Institute.
They are currently studying in 8th semester, BE-Biotechnology and are entitled to do a final year project as a part of the course curriculum.

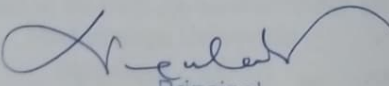

<u>Sl No</u>	<u>Name</u>	<u>Class</u>	<u>USN No</u>
1.	Ms. Akshatha M K	8 th Sem	1MS20BT005
2.	Mr. Logesh Suresh	8 th Sem	1MS20BT027
3.	Ms. Saanvi Gupta	8 th Sem	1MS20BT044
4.	Ms. Shobha Sharma	8 th Sem	1MS20BT049

We therefore request you to kindly grant the permission to conduct their final year project in your esteemed Institution & provide the necessary facilities for the completion of their project work.

Thanking you
Yours Sincerely

To,

The Principal,
Maharani Lakshmi Ammani College (MLAC) for women Autonomous,
Bangalore.

Greetings of the day Madam,

Subject: Request for access to MLAC research facility for research work for PhD.

Regarding to the above subject, myself Sharmugam V.M pursuing my doctoral degree at REVA University under the co-guidance of Dr. Jolitta A.B. Associate Professor, Department of Biotechnology, MLAC. The focus of my study involves neuroprotection by plant extracts. Access to the facilities & resources at MLAC would immensely contribute to the successful execution of research work. I assure you that, I will strictly adhere to the rules and regulations governing the use of the research facility and will ensure that all equipments used responsibly & maintained at its original condition.

I kindly request your consideration of my application for access to the research facility
kindly do the needful,

Thank You,

Yours Sincerely

From,
Dr. Rama T
HOD, Dept of PG studies in Biotechnology,
Nrupathunga University
Nrupathunga Road,
Bengaluru – 560001

Dear mam,

Subject: Permission for students to undergo Project Training

I Prof Rama T, HOD – Department of Biotechnology, Nrupathunga University is glad to recommend my students Ms Harshita SS(P24AN21S0185) , Ms.Geethamani PR(P24AN21S0193) and Ms.Sahana BR(P24AN21S0198) pursuing post graduate degree in Biotechnology at Nrupathunga University (Batch – 2021-2023) to carry out their project from the Maharani Lakshmi ammanni college.

My Students have shown interest to carry out their project at Maharani Lakshmi ammanni college. .

I Kindly request you to provide an opportunity for my students to carry out this project for partial fulfilment of their degree from 24-04-2023 to 24-05-2023.

Kindly oblige

With Regards,

Head of the Dept. of Biotechnology

Respected Sir/Madam,

Subject: Permission to work on project
As a part of BCU syllabus, it is mandatory for us to do biotechnology project so we request you to grant us permission for 20 days to complete it on time under the guidance of DR. SUSHIL KUMAR MIDDHA and DR. USHA of bioinformatics department at Maharani Lakshmi Ammanni College.

We are total 6 students: Rekha Seervi
Maria Anisha
Khushi N Sagar
Leena C
Brinella Ann Stanley
Nishitha Sharon

Hope you will do the needful.

Thanking you,

Yours sincerely,
Biotech students

Bangalore

Madam,

Sub : Request to avail of the Freeze-drying facility at your Institute for concentrating a plant extract

With reference to the above I submit that as part of a students' project work, an aqueous extract of a certain Verbenaceae plant species needs to be freeze dried. The volume of this extract is about 50-70 ml & the No. of samples = 1 (ONE ONLY). In this connection we seek your kind permission to use the freeze-dryer/lyophilizer facility at your Dept.

As discussed with you over telephone, my students Vineeth Rao (USN: 1MV20BT026) Yuktha (USN : 1MV20BT027) & Harshitha (USN: 1MV20BT014) shall be contacting you in this connection today, during the afternoon.

Seeking your guidance & kind advice,

Yours sincerely,

Dr. Mrinalini Menon,

Associate Professor, Dept. of Biotechnology
