Brief summary of the activity:

Department of Zoology, mLAC organised a Student lecture series for the BSc and M.Sc Zoology students on 16th December 2023. The session started with a brief introduction about the lecture series by Ms. Bhavya, HOD, Dept of Zoology and she also introduced the speaker Ms. Laaiqha Zulekha, Student of I year B.Sc.

Ms. Laaiqha Zulekha started the session with the introduction of the topic “**Ozone therapy**” The session was mainly oriented towards the outline of “Ozone therapy”, various applications in different field of science, mainly she highlighted it’s application in dentistry and also its advantages and disadvantages. The session went on very well with lot of information about the Ozone therapy

Students gave positive feedback about the session and referred it as very informative session
